

THE KITCHEN
AT THE CROSS KEYS

Here at The Kitchen we believe that fresh is best which is why our menu is constantly changing.

Our fantastic team of chefs are always creating new and exciting seasonal dishes. Each day our menu is designed around what our butchers, farmers and fishmongers have to offer. Because of this our menu typically changes every day, often differing between lunch and evening service. As such we are unable to guarantee what dishes will be available on any specific date, however if you do have a personal request, please mention it when making a reservation and we will be happy accommodate where possible

As well as our à la carte menu we also have our 'Menu of the Day', a smaller menu offering 2 courses for just £16.95.

Below is a sample menu, just an example to give you an idea of the type of dishes you might find on your visit to The Cross Keys in Epperstone.
